

Alleghany County Public Schools 2018-2019 School Bus Routes and Schedules

Alleghany County Public Schools' bus routes and schedules for the 2018-2019 school year are listed below. Please remember that school begins Wednesday, August 8th, 2018.

Parents/students are encouraged to review the bus routes and schedules for their child(ren) and identify the child(ren)'s bus number and pick-up/drop-off time. Please note that some bus numbers and routes have changed from the previous school year.

The bus routes and schedules were developed from our student data base. The schedule does not list individual student stop. If you need assistance, please contact the Transportation Department at 540-965-1809.

Students should be at their bus stop at least 10 minutes prior to the expected arrival time of the bus.

In the interest of safety and order, it is important that all students comply with the directions of bus drivers, school officials and follow all school bus safety rules. Drivers may assign seats and require students to follow specific procedures at bus stops prior to boarding. A list of safety rules is included in the Alleghany County Public Schools Parent-Student Handbook which is distributed to each student during the first week of school. Parents should review the rules with their child(ren) and stress the importance of following the rules.

Again, if you have any questions concerning bus routes or other transportation issues, please contact the Transportation Department at 540-965-1809.

Callaghan Elementary:
